Corrigendum to “Effects of intake of monensin during the stocker phase and subsequent finishing phase on performance and carcass characteristics of finishing beef steers” (Appl. Anim. Sci. 36:668–676)

C. P. Weiss, PAS, P. A. Beck, PAS, M. S. Gadberry, PAS, J. T. Richeson, PAS, B. K. Wilson, PAS, C. A. Robison, J. Zhao, T. Hess, and D. Hubbell III

The name of one of the authors of an article that appeared in the October 2020 issue of Applied Animal Science was misspelled. In the Weiss et al. (2020) article, C. A. Robinson should have been spelled C. A. Robison. The authors regret the error.
